

Assisting the local church and the missionary
in reaching the world with the Gospel

Dear Co Labourer,

It is my joy to recommend Brother Leland Johnson and his family to you. Having pastored in the United States as well as in Brazil, Brother Johnson's sixteen years in the ministry make him uniquely qualified to be a very effective field director for Macedonia World Baptist Missions. His years of experience and impeccable character are exactly what we look for in a field director. Therefore we look forward to working with Brother Johnson and his family in the days to come in order to reach the West Indies with the Gospel. I firmly believe that whatever partnership you form with the Johnsons, will result in fruit that will abound to your account. MWBM needs this fine family. Would you prayerfully consider adding them to your missions family? I would appreciate it personally if you would be so kind to do so.

Thank you for your consideration and your faithfulness to the cause of Christ.

For the sake of souls,
